PRAYER REQUESTS

NEWS FROM FRANCE

Philippe & Marie Christine

- This year, for the first time since the beginning of our ministry, Marie and I feel the need to take a real holiday in July and August. We have therefore reduced our mutual commitments as much as possible during this period. It will be a time for us to listen to the Lord and to spend time with our family. From July 19th to 23rd, we have planned a family camp with our children and grandchildren. Please pray that this time will be a blessing for all.
- We have planned a single camp for the ministry, from July 27 to August 3, in Belgium. This is a Bible camp for 18–30-year-olds and we are expecting about 60 young adults.
- We will also have the GLO conference from 25 to 28 August in Scotland.
- Please pray that the young church in Aix will be protected during this summertime. We have major challenges at the start of the school year.
- Thank you for your prayers. We pray that this summertime will also be a time of renewal for you as a person and for the church.

NEWS FROM ZAMBIA

Wati & Nkandu

1. Pray for my family members for God's comfort, it has been very hard losing three members within three months but spiritually we know they are resting in eternal peace.
2. Pray for me for my visa application for Germany and Scotland that God's favour will help me to be granted the visas.
3. We are so thankful to all of you for helping us to be a blessing to many vulnerable people. This time we were able to give them gifts of shoes.
4. Thank you for praying for Chanda who is now doing fine and soon will stop using crutches
5. Continue praying for us to be always grow strong as a family in the things of the Lord and always to the good example.

6. Pray for this young man his name is Friday. He is a Sunday school teacher whose father has neglected his family, and they are going through a lot, and I am trying to help him here and there to make sure that he remains strong in the Lord.
7. Continue praying for my insulin supply. Most things are now very expensive and sometimes there is a shortage of insulin.
8. Pray for the widows and orphans, today we bought some food stuffs to distribute. The drought has really made the situation for some very tough, pray for God grace upon their lives.
9. Pray also for the love Africa mission conference starting from 1 to 4 August.
10. Pray for us for God's grace and strength this coming July 1-7 that I will be helped to facilitate a course called Missions Mobilization training around 40 people.
11. Pray for us for a successful response in August 14 to 17 when are planning to show again the Jesus movie in Makwati.

NEWS FROM NYANGOMBE

Gordon and Sybil

Points of Praise:

- A) Dry Season Bible Schools are doing well and numbers (60 +) of elders attending each have been encouraging once again despite the huge financial effort in travel for all who attend.
- B) A delegation arrived to locate a suitable site at Nyangombe for a Zamtel cellphone communication tower. The lead man told us that the President had insisted that a tower be located at Nyangombe and we sincerely thank the Lord for this development as it has been a matter of prayer for the last year.
- C) We have been enabled, through a gift from Ebe Trustees, to purchase 1,000 Roofing sheets to assist poorer assemblies roof their newly built, permanent structures and to place an order for 1,000 Bibles in Lunda to get God's Word into the hands of local people.

Please pray that:

- A) The current teaching at the Bible Schools will impact the hearts of all leaders in attendance and that they will grow in their walk with the Lord and impact their congregations when they eventually return home.
- B) Colin Breeze, (Brass Tacks) who had planned to be at Nyangombe for some months and was urgently called back to the UK for medical treatment, might know the Lord's presence and His undertaking.
- C) The Scripture Union Youth and Children's Camps, planned for July and August, might be used by the Lord to significantly influence the lives of all who attend.
- D) The Lord will call someone with mechanical skills to join the team at Nyangombe.

NEWS FROM ALBANIA

Ermal and Denisa

- Pray for the outreach with the kid's ministry we will have at the end of June, where a GLO team will join us for that. We are aiming to reach out to 70 kids for a day camp during the last week of June.
- On the second week of July, we are taking 70 young people to a summer camp. Only 10 of those are Christian, and the rest will hear the gospel for the first time.
- On the third week of July, we will have the second camp for the pre-teenagers. We are going to have 80 pre-teens to a full week of gospel centred camp. Again, only 15 of those are Christians and the rest will hear the gospel for the first time.
- During August, we will do mostly follow up with the new people that we will meet in these camps.

Thank you for your faithful prayers.
