## Philippe & Marie Christine

- Several people are following a discovery group. Please pray for conversions.
- We need wisdom to decide how to move forward with the building as a young and growing church in Aix en Provence. Two solutions are available to us, both of which require an important step of faith.
- On Saturday, June 8, in Antibes (French Riviera), Philippe shares the plan to launch a new regional center for church planting training that will start in October 2024 DV. Please pray that the right people can register.
- On June 9, Philippe is to preach on the French Riviera (Acts 13:1-3)
- On June 15th and 16th, we have our annual Church Weekend on the theme "welcoming the stranger".
- On June 18 and 19, Philippe will lead a spiritual retreat with the Elders of Aix en Provence.
- On June 23, Philip to preach in Aix (Revelation 3:7-13)
- This coming month, we have also to organise the last details of the departure to Belgium of Joshua and Sophie our students for the last 3 years, and the installation of a new couple to help in the development of the Riviera church planting project. We need strength and wisdom. Thank you so much for your prayer support.

## Wati & Nkandu

Our prayer points for June are as follows.

1. Next month on 5 June I have a trip to Namibia in a village called Okangwati where I served reaching out to the Himba people with the gospel of our Lord and Saviour from 2008 to 2010 as a missionary. It is 2100 km from Kabwe and I will use public transport, pray for me for God's travelling mercies and strength as I visit and see the work the Lord started in 2008.
2. Prayer for the family to remain strong and grow in the Lord
3. Pray against the spirit of suicide in Makwati community as another man was found on Monday, hanged.
4. pray for the ladies in Makwati church for the stableness of their marriage Nkandu today had a meeting with them talking about marital issues and how women can resolve issues in their home.
5. Pray for me and Nkandu today we celebrated our 14 wedding Anniversary. It is our desire and prayer that our marriage will be a role model in the community.
6. Pray for this man is name is Chanda I meet him in the community in Makwati as I was doing evangelism and later him I took him to the hospital, he has a swollen leg. The doctor did an x-ray and now they are thinking of operating on his leg as it is badly twisted.

## Gordon and Sybil

Items for Praise;

- A) During the last two weeks, Nyangombe Bible School Health Post staff conducted clinics for children under five at the health post and in local villages. Many children were vaccinated, medical care was provided to young children and their mothers and antenatal care was provided to expectant mothers. We thank God that as a result of this care infant mortality has reduced significantly.
- B) Over 60 Bible Teachers attended our previous Bible School , with Barry Haigh, which ended this week and all have safely returned home encouraged in the Lord and enthusiastic about winning people to Christ.

## Gordon and Sybil

Please pray that:

- A) Those planning to attend the Bible school sessions in 2024 will find the means for travel and food expenses in view of the current tough economic conditions. The next Bible School begins on 3 June for three weeks when we expect 60 to 70 elders attending.
- B) The meetings that have taken place with government officials about a mobile phone tower for Nyangombe will have a positive result. The ability to make mobile phone calls would be a significant improvement for both staff and visitors.
- C) God will provide safe travel for Gordon and leaders from other assembly medical facilities in the Northwestern Province as they meet in Solwezi for the Health Board meetings. (It is always our hope and prayer that medical care will be used to communicate the Gospel in a very clear way.)
- D) The Lord will call someone with mechanical skills to join the team at Nyangombe
