PRAYER
REQUESTS

FRANCE

Philippe & Marie Christine

It was a real privilege for us to meet last Sunday, August 25 in Ebenezer. We continue to pray for the people who were present at the family service.

Here in Aix, the young Church stopped renting a large room that was too expensive and impersonal to refocus on the district where we use the Student Foyer . We will have to hold two services on Sundays. Please pray that the Church will continue to grow.

Thank you for continuing to pray for follow up with our neighbours since the suicide of one lady last June.

FRANCE

Here are now some *special events* for which we need special spiritual assistance:

« Pre-school » in Antibes (French Riviera, 1h15 from Aix) on *September 14-15* to meet the leaders and prepare the training for church planters which will start on October 10 (for 2 years)

Please pray for the church weekend on *September 21st* . Phil preaches and will give a word of encouragement for the year.

We have a baptism service on *September 29th* for Isabelle (40 years old). Another young convert, Clara, (38 years old, Catholic background) is also thinking about it. Please pray for this.

On a personal level, Phil must organize the emptying of his father's house on *September 28* (after my mother's death, my dad suffers from Alzheimer's and is placed in a specialized unit). A big task!

ZAMBIA

Wati & Nkandu

1. Have been moving in communities speaking to men concerning how they should live in their marriage. Pray that men will be willing to put God first in their marriages.
2. Pray for the drought situation it is very bad, meal is very expensive and is the staple food. The government is trying to provide mealie at a cheap price, but people are coming in large numbers lining up to buy at the cheap price and it is difficult for the more vulnerable to get even one bag. Continue praying for the situation.
3. Pray for the people who got saved during the recent crusade we had, they need Bibles, which can help them to read and grow spiritually.
4. Continue praying for us as a family that we shall continue serving the Lord faithfully and grow deeper in the relationship with the Lord Jesus Christ.

5. We thank God for the help towards some church members who are in real need, the most vulnerable. We managed to buy some shoes for them and all of them were very happy and praised the Lord. Continue praying that God will continue meeting their needs
6. Today I was speaking to the students at the college about missions and how they can be part of what God is doing in redeeming souls back to Himself. Pray that the word will grow in their hearts and that they will respond to missions.
7. Pray for the orphans and widows that God will always strengthen them especially at this difficult period. We have just bought some clothes for them again.

Points of praise:

- A) Children's Camp went very well with 401 children attending. More are scheduled during school holidays!!
- B) 50 youth from our local churches have just left for a large youth conference 250 miles away in Manyinga.
- C) We were able to accommodate ALL children at the camp where floors in every available building had mattresses laid side by side for children to sleep.
- D) Charles Kafweta, our Bible School Director, married Judith this week. (They have gone on honeymoon to Luangwa where Charles will take a seminar for new believers.)
- E) Sybil paid a quick visit to Scotland for an appointment to see her eye consultant. We are grateful that no intervention is required!

ZAMBIA

Please pray that

- A) The children who heard clearly at Camp last week about 'Who Jesus is' will be impacted for years to come as a result of the clear presentation of the Gospel
- B) Youth travelling to Manyinga will travel safely and know the Lord's special blessing in their lives as they meet with hundreds of other young people with a heart to seek God.
- C) James Mwinilunga, a local elder who is presently very ill in a Solwezi Hospital, will know the Lord's touch in his body.
- D) The next fourteen days Bible School, 'Teaching Teachers of Women' will know the Lord's blessing and that many will be enthused to continue in their important roles.
- E) Up to 30 ladies will make good progress over the next two weeks as part of our ongoing Women's Literacy Program which runs concurrently with the Ladies being taught. (More than 50% of ladies still cannot read!)
- F) The 31 people baptized from the new church plant at Samuteba, will continue to grow in their walk with the Lord.

Ermal & Denisa

This month we will restart all the ministries that have been off during August. Pray that God will help us to have a good start and lay a good foundation for the year ahead.

Pray for the young people that we reached through camps during summer, so that they might continue to come and show interest in knowing the Lord better as we continue to disciple them.

Pray for the team that is serving in the church. All of them are volunteers and they are very dedicated. Pray that God will bless them, encourage them and boost their interest to stay in ministry throughout the year.
