PRAYER
REQUESTS

FRANCE

Philippe & Marie Christine

The fact that I took a sabbatical year as an elder has allowed the elders that I have had the grace to accompany from the early stages to get their bearings in the ministry. Please pray for these young elders, Ben, Ivan, Danny and Tim.

We are doing work to enlarge the hall of the student hall, which will allow the church to be able to meet on Sundays for a while. Please pray for the success of the work and the growth of the church.

This sabbatical time as an elder also allows me to develop a regional ministry to encourage church planting projects. Marie continues her mentoring ministry to many young women.

On Saturday, March 8th, please pray for the training day as part of the centre for church planting that I lead in Antibes. We have 39 learners.

On March 15, I will have to teach at the meeting of the regional councils of our churches. The theme I would like to develop is ' How the multiplication of God's Word has brought about the growth of the church'.

FRANCE

Philippe & Marie Christine

From March 18 to 23, Marie Christine and I will be in Romania for a conference of churches in Eastern Europe. There too, I was asked to teach. Marie is involved with the women present.

On Sunday, March 30, I am called to preach at the baptism of Alexis, a young Christian of our church in Aix. There will be many visitors from outside.

One of the purposes of my sabbatical as an elder is to allow me to also give more time to the ministry of writing and the development of a Christian art website. One of the aims is to plant the Gospel culture into our French culture. Please pray that I keep the focus.

Marie and I are very grateful for your prayerful and practical support

- A) We have just heard that Owen, one of the children from Nyangombe, has just been released from hospital following another acute, intestinal illness.
- B) An empty shipping container from Canada, for wood drying and storage, has just been delivered to Nyangombe at a highly subsidized price.
- C) Excellent local staff at Nyangombe Christian Training Center without whom missionaries could not function effectively.
- D) Two babies sent four weeks ago from Nyangombe to Chitokoloki Mission Hospital (300 miles away), where they were operated on for badly twisted feet & ankles, are now returning home with ankles and legs completely normal.

ZAMBIA

Please pray that

- A) Two babies going this week for cleft palate surgery will greatly benefit from a visiting expert surgeon doing their operations in the first week of March.
- B) Owen, the child of work colleagues at Nyangombe, will recover permanently from this unknown illness rapidly
- C) Hippos destroying family gardens around Nyangombe might be permanently discouraged by the use of fireworks to chase them away.
- D) Houses of widows which have fallen down in the rains might be rebuilt quickly by our trainees who are struggling to find dry bricks during the heavy rains.
- E) Five young people at Nyangombe, who have recently committed their lives to the Lord, might grow in their new found faith and in the love and knowledge of the Lord Jesus as they attend daily 'growth' sessions with local Elders.

NEWS FROM THE FRONT

ALBANIA

Juli & Ela

- Give thanks for the new people coming to the meetings following personal evangelism.
- Please pray for the church elders and the challenges we are going through at the moment with moving the church forward and in the same time strengthening the eldership
- Give thanks for the church planting in Akërni (a village nearby) a girl has already given her life to Christ and a lot of people are hearing the gospel weekly.
- Pray for the College ministry as this year has been difficult . Next month there is a conference for students and we are hoping to have 15 students coming.
- Pray for the Three16 ministry that Ela and Ami are involved with that the Lord can keep the team united and bring teens to him. There is a turnout of 30-40 of them every week. Now discipleship is crucial.

Worthy are you,
our Lord and God,
to receive

GLORY AND HONOR AND POWER

for you created all
things, and by your
will they existed and
were created.
