PRAYER REQUESTS

FRANCE

Philippe & Marie Christine

Summer has arrived, and for Marie and me, this year is once again synonymous with camps.!

Please pray for the CFB (Bible Training Camp) that will be held in Genval, Belgium ,for young adults aged 18 to 30. After a difficult start and a pause due to the lockdown, the camp is now growing again . We expect at least 80 young people, and Class No. I is already full with 35 registrations.

This camp remains a real challenge, but each year we witness God's work through conversions, consecrations, and baptisms.

After many years as director, Philippe has passed on this role to his Belgian intern, Joshua, in a spirit of faithful transmission. Marie has also entrusted her role of listening and advising young girls to younger sisters. This will probably be our last year serving at the Belgian CFB, which is now known under the GLO label.

July will be also busy as we prepare for another camp in August, this time in Switzerland CH (August 16–22). Philip will present a series of studies on the life of Abraham

Meanwhile, despite the heat, the writing of the Genesis commentary (Volume 2) continues , along with the launch of an artistic project for edification and evangelization, scheduled to start at the end of September.

We warmly thank you for your ongoing support and prayers.

Points for Praise

- A) The brick molding teams are making excellent progress towards our target of 50,000 bricks These bricks are for adding two additional wards to our clinic with showers and toilets for patients.
- B) The Outdoor Kitchen is nearing completion just in time for feeding 140 Youth arriving soon for our annual Scripture Union Youth Camp.
- C) The much-needed Hydro Parts from Germany have arrived safely.
- D) Some progress has been made with our tractor repairs,,, and we are very grateful to Lord for progress thus far

NYONGOMBE

Gordon and Sybil

Please pray that:

- A) All who pass through teaching courses at Nyangombe in July will leave here encouraged, built up in their faith and more determined to serve and honour the Lord in all that they say and do.
- B) God would prepare the hearts of 140 youth who will be attending the youth camp this coming weekend. (The camp will have an evangelistic theme as many who will be present do not yet know the Lord.)
- C) People in villages visited by our staff during *Child Health Week* will acknowledge the Lord though the dedication of our clinic staff in vaccinations and Christian health care where over 500 were attended to.
- D) That the maintenance team will have the Lord's wisdom to successfully repair our much needed tractors.
- E) Speakers for our Youth Camp will travel here safely and have messages prepared that will, by God's Spirit, impact the Youth for the Lord.
- F) Maize being harvested in fields will be kept safe from fires and theft as transport to drying cribs has been delayed by the tractor break down.
