NYANGOMBE – GORDON AND SYBIL

Points of Praise:

- A) A small team of four Evangelists, who traveled to in Angola on two motor bikes, returned safely yesterday with an encouraging report on the health of the new assembly planted two years ago in Lovwa.
- B) We thank the Lord that the maize of all local subsistence farmers in and around Nyangombe has now been sold to the Zambian Government. (There are 4,188 sacks on our storage slab which is less than half the total maize sacks grown by all Nyangombe folks numbering over 10,000 sacks or 500 tons. This is quite amazing when we recall a time when all families together at Nyangombe produced only 200 sacks (10 tons) between them.)
- C) Gordon continues to improve and is now back with Sybil in Nyangombe recuperating. (We are very thankful to Dr David McAdam and the medical team at Chitokoloki Mission Hospital.)
- D) The Nyangombe medical team completed Village Child Vaccinations this week covering all villages in a geographical area of almost 100 square kilometers
- E) Additional Lunda Bibles arrive at Nyangombe. Sales of Bibles have surged in recent months!!

NYANGOMBE – GORDON AND SYBIL

Please pray that:

- A) God will continue to work in the hearts and lives of the many hundreds of men, women, youth and children who have attended Nyangombe teaching programs during 2025.
- B) Our 7th Grade students at Kahanda Primary School will do well in exams this week. (Our trainees helped build a concrete safe with metal doors which allows the school to securely hold exam papers and become a registered examination center.)
- C) A planned visit to Nyangombe by Operation Mobilization Discipleship Group will still be possible.
- D) Gordon, will continue to gain strength following sepsis treated at Chitokoloki Mission Hospital.
- E) The entire Team at Nyangombe, without whom missionaries could achieve very little, will get some rest before new programs and gardening start again!

NYANGOMBE – GORDON AND SYBIL

1) Maize at Nyangombe SOLD!

2) Dr David and Lorraine McAdam seeing Gordon and Sybil off home from Chitokoloki by small plane

3) Some of the Nyangombe Team teaching Literacy

4) Lunda Bibles arrive

NEWS FROM THE FRONT

ALBANIA

Ermal & Denisa

1. For the first time in our church, we are starting a man's meeting. We see the need to get together as men, to study the Word, to pray and encourage one-another. Please pray that God will make the times together fruitful.
2. Pray for the elderly people we have in our church. They need more care and more assistance.
3. Denisa & I have been invited to teach at an event with teachers from different schools in our city. This is a great opportunity to share the gospel and make contacts with them. Pray that the teachers will be open and relationships will continue after the event as well.

WATI AND NKANDU

1. Pray for Mwewa, Angela, Ruth, Rebecca and Chanda. They all come from a family background with so much time spent in ancestral spirit worship and last Sunday they came to church and heard the Gospel, they accepted Jesus as their Lord and Saviour. We are now planning for them to be Baptised in November.
2. Pray for this woman, we call her Bana Ngosa, she is a widow, a very committed member in Makwati church but she has a very sensitive issue which is urgently needed medical attention, Pray for her to remain focused on Jesus, despite the situation and for God to provide for her medical bills.
3. Prayer for the fruitfulness of love and harmony to be with the couples in Makwati community in their marriages following the marriage seminar we had.
4. Continue praying for Nkandu's father health for a quick recovery.
5. Continue praying for Makwati church to continue being the Light in the community.
6. Continue praying for us as a family to continue growing together in loving the Lord.
7. Continue praying for our kids group and for the Bible Discovery study we have started in a different community, called Kamushanga, to grow.
8. Please remember me on November 8 when I officiate at a wedding.
