PRAYER
REQUESTS

FRANCE

Phillipe & Marie-Christine

Dear friends,

As we approach the month of June, we find ourselves entering a vital season focused heavily on prayer, deep reflection, and strategic preparation for the start of the ministries in September.

We are on the cusp of launching several major initiatives—including church planting, setting up mission posts (CFRi), teaching in a new creative arts camp, and continuing the writing of a biblical commentary. For all of these moving parts, we deeply need your prayers and ongoing support.

Here are the key dates to keep in our thoughts and prayers this month:

 **Key Dates for June**

- **June 5th – 6th | Geneva Bible School Committee:** Pray for wisdom, unity, and clear direction during these leadership meetings.
- **June 9th | GLO Vision Day:** A dedicated day of reflection looking at the future of the GLO ministry and its footprint across the French speaking world.
- **June 20th | CFRi Graduation:** The official closing ceremony and certificate presentation. We give thanks for every student and their hard work! 5 to 6 new projects to bless the great South East should be set up now.
- **June 21st | Preaching in Antibes:** Pray for the message, that it would encourage and challenge the local church community.
- **June 27th – July 4th | Creative Arts Camp:** A week dedicated to inspiring and equipping creative souls. Pray for safety, inspiration, and deep spiritual growth for all attendees.

 **Major Projects in Motion**

Beyond these specific dates, we are working hard behind the scenes on three core projects that carry long-term impact:

- **Mentoring the Next Generation:** We are currently preparing a comprehensive 2-year apprenticeship to train a new ministry worker, Ivan, who is scheduled to begin his service with us this September DV.
- **The Musical Project (The Home Stretch!):** We are finally entering the ultimate phase before launch. Please pray for the final technical details, smooth production, and that these tracks will truly bless those who listen.
- **Biblical Commentary:** The heavy lifting is well underway—half of the writing is officially completed! Please pray for continued endurance, sharp focus, and inspiration as the remaining chapters are drafted.

Our Central Prayer Request: Please pray that this month of June provides the clarity, spiritual refreshment, and focus needed to build firm foundations for September.

Thank you so much for your faithfulness, your messages, and your prayers. We couldn't do this without you.

Warmly in Christ,

Philippe and Marie-Christine

Nyangombe – Gordon and Sybil

Points of Praise:

- A) The Bible Teachers sessions have begun and will conclude on 9 June. This week, they are studying in the books of 1, 2 Kings and 2 Chronicles using the Kings of Israel workbook in the Lunda language.
- B) Close to 50 youth from surrounding villages gathered once again on Saturday morning for teaching and fellowship at Nyangombe.
- C) The much-needed medicines that have arrived from the UK are a blessing to the patients at the clinic that will need them.
- D) Barry and Rachel Haigh, the founders of NCTC 37 years ago arrived safely at Nyangombe. During their two-month stay, Barry will be teaching at the Bible School and Rachel will be helping at the onsite preschool.
- E) After some years of 'encouragement', local Churches are planning youth events during this dry season most being held at Nyangombe

Nyangombe – Gordon and Sybil

Please pray that:

- A) The Gulf war will come to a peaceful resolution and that fuel will continue to be available when needed for journeys.
